"Train up a child in the way he should go: and when he is old, he will not depart from it."

Proverbs 22:6

Our Mission

We at Knightsville Methodist Church would like to be a ministry to our community and provide a safe, loving, Christ-centered environment for young children to grow "in wisdom and stature, and in favor with God and men" (Luke 2:52 NIV). To create a place where teachers, children and parents feel welcome and encouraged to listen to and share God's word.

Our Philosophy

KMC. K.I.D.S. strives to empower children with the tools necessary to excel mentally, physically, socially and spiritually through a hands-on, interactive, age-appropriate curriculum.

Calendar

Our program run from the Tuesday after Labor Day to about a week before Memorial Day. Our program follows Dorchester School District 2 calendar for holidays, work days, executive orders, and inclement weather.

Our curriculum

KMC. K.I.D.S. uses a themed based curriculum focusing on a letter of the week. We have a shape and color of the month. Teachers are required to read a story, have a math and literacy lesson, have center time, and playground time daily. Children attend sanctuary once a week.
