### **Our Mission**

The Global Methodist Church exists to make disciples of Jesus Christ and spread scriptural holiness across the globe.

In our worship, we desire to surrender to and be fully devoted to one God—the Father, the Son, and the Holy Spirit. We are passionate about what is important to God.

Jesus calls those who follow Him to love God wholeheartedly and love their neighbors as themselves. Our desire is to demonstrate to the world the extravagant love of God in the person of Jesus Christ.

We have been entrusted with a lifesaving and transforming message that we must share with others. Our witness is bold, compelling and fearless. Our mission advances when individuals become disciples of Jesus Christ and join God's mission to make more disciples.

### **Our Vision**

Through the empowerment of the Holy Spirit, the Global Methodist Church envisions multiplying disciples of Jesus Christ throughout the earth who flourish in scriptural holiness as we worship passionately, love extravagantly, and witness boldly. Through our ministries, we desire to share the whole counsel of God with all peoples and to advance the presence and fulfillment of the Kingdom of God in every part of the world and at all levels of societies and cultures. The Global Methodist Church is committed to the Lordship of Jesus Christ, the inspiration and authority of the Scriptures, and the work of the Holy Spirit in conveying God's truth and grace to all people.

We are a global church that recognizes and deploys the gifts and contributions of each part of the church, working as partners in the gospel with equal voice and leadership. Our witness to the world is marked by mutual love, concern, sharing, and a focus on those who are most vulnerable. We watch over one another in love and bear witness to the transforming power of the Good News as we humbly, but boldly, strive to serve others as ambassadors of Christ!

## Who's Who in Church Music

### **Knightsville Global Methodist Church Traditional Choir Member Jacqueline "Jackie" Volf**

I have been at KMC for 2 1/2 years and have participated in the adult choir for about 2 years.

My favorite genre of music is hymns and contemporary Christian music. I LOVE to sing and feel that God gave me this gift to share. When I sing, I feel closest to God. My favorite singer is Sandy Patti.

My favorite place to get donuts is Dunkin Donuts. I feel that Krispy Kreme's are too sweet but I have to admit I wouldn't pass one up.

I am a retired Interior Decorator. I have worked all over the USA and Asia. It has been deeply gratifying that I have been able to bring beauty into homes and have helped to create an environment of serenity and joy.

One thing that most people don't know about me is that I absolutely LOVE elderly people! I adore their wit and the way they share so openly. I learn so much from being around them and enjoy their outlook on life.

My favorite bible verse is Jeremiah 29:11—"For I know the plans I have for you" declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."

## Sea Trail Missions

*"We will cross any sea and blaze all trails to spread the Good News of Jesus Christ for the transformation of the world."*

Down a long and winding road named Central Ave. in Summerville, South Carolina sits a small church with a big heart and a passion for missions. Seven days a week, there is always someone, doing something, at Knightsville Global Methodist Church to help the Least, Lost and Lonely of this world.

In June of 2024, 12 members of Hope Mission Ministries journeyed together on a Honduras Mission Trip as they traveled to La Entrada de Copan, Honduras in conjunction with Youth for Christ in bringing the gospel to children in public schools.

Not to be outdone, Pa's Pantry at Knightsville works in partnership with the Charleston Lowcountry Food Bank in a bi-monthly partnership distribution to support the Summerville community. In 2024, Knightsville served over 6,000 participants with 40,000 pounds of food with the help of 30 plus volunteers.

With missions in mind, our Thanksgiving Community Fellowship is always an overwhelming success. With the assistance of 175 volunteers, we fed 3,038 deep fried turkey dinners to the local community in 2024. Since 2015 we have witnessed and served in excess of 15,000 Thanksgiving meals to our community.

As children all over town began thinking about the new school year ahead, KMC provided 72 backpacks and school supplies to Knightsville and Reeves elementary schools. A Blessing of the Backpacks was held during a Sunday morning worship service before the start of the school year. This support of children in need has been a yearly mission since 2018.

In partnership with Seacoast Church and the Summerville Homeless Initiative, KMC has provided all the meals to the local homeless shelter (December 2023 through February 2025). We have surpassed serving over 5,000 dinner/breakfast meals to our homeless "friends and neighbors" in the low country community.

Each year at Christmas KMC brings much happiness to the children/youth residents of the Pineland Home for Children as we provide pajamas and hygiene products to over 40 residents. This year was our 25<sup>th</sup> in "seeing this need and meeting that need."

This year, KMC shared in the "Holiday of Joy" as we supported Hurricane Helene victims from the Asheville, NC public school program with over \$10,000 in children's clothing, hygiene products, handmade quilts and numerous other items.

Our participation in Samaritan's Purse/Operation Christmas Child gives us the opportunity to serve children around the world with shoeboxes filled with small items that show our love for those little ones who may not receive anything else during the Christmas season. We donated 84 boxes in November of 2024.

Our Plastic Mat Ministry was started in November of 2024. Volunteers can flatten bags, cut bags, roll balls of plarn (plastic yarn), crochet or do all four parts. Mats are then donated to the homeless, helping them to have something to place between them and the ground as they sleep wherever they can find a resting spot. Five mats were presented to be blessed at church in December of 2024.

Never to be ignored or overlooked, our Community Computer Ministry surpassed our 600<sup>th</sup> donated refurbished laptop this past year. In supplying a much-needed computer for a family in April 2020, this ministry has been such a blessing to people of all ages. We expanded this mission by offering a KMC Computer 101 community class to beginners. That created a monster, ha-ha, new email accounts for seniors have exploded in Summerville!

Known as "the most loving place in town," Knightsville Global Methodist is indeed a mission minded church that is passionate in their mandate that a "see a need and meet a need" opportunities in serving God are always on the horizon while making disciples of Jesus Christ.

## Did you Know?

We love Spring and all the fresh flowers growing in our yards. We look forward to Easter too and possibly a beautiful Sunrise Service and celebration of the Resurrection of Jesus from the tomb. We sing: **Christ the Lord is Risen Today**. Easter is the most important Holy Day of the church calendar year, and we celebrate. **He Lives! He Lives!**

However, to deeply appreciate new life and the power of the Resurrection we must pause to reflect on the Crucifixion. We cannot skip over what happened on a day we call **Good Friday**. You may have heard the expression: **What was Good about Good Friday?**

A summary of answers will include: *In Christianity, "Good Friday" is considered "good" because it marks the day of Jesus Christ's crucifixion, which is seen as the ultimate act of sacrifice and love, paving the way for the hope of the resurrection on Easter Sunday, signifying the victory over death and sin, and offering salvation to humanity through God's grace; despite the suffering involved, it is considered a positive event due to the greater good it represents.*

So, this brings up what we will be doing on Good Friday here at KMC. We are offering a worship service called: The Stations of the Cross. When we visit the Holy Land next year we will walk part of the Via Dolorosa.

This Way of the Cross is a modern adaptation of an old Christian tradition dating back to the fifth century. The fourteen traditional Stations of the Cross mark the passages from the moment Jesus was condemned to death until his burial in the tomb. The Way of the Cross was originally used by Christian pilgrims to the Holy Land, and it came to be identified with the Lenten season to prepare the people of God for the season of repentance that Lent represents.

All scripture used in our outside service on April 18<sup>th</sup> at 7 pm is biblically based. Participants will have the opportunity to carry the Cross. The Way of the Cross is a service whereby the people of KMC can reflect on the meaning that the sacrifice by Jesus has in their daily lives. It is a means of grace and rededication of ourselves to Christ as His disciples. An opportunity to go Deeper!

This devotional service will to help the people of God — through Scripture, prayer, and reflection — relive the experience of suffering and sacrifice that our Lord went through on Good Friday over two thousand years ago.

The Way of the Cross also helps to bring back the meaning of Holy Week and make it truly a significant period for all Christians. It will help us to fully appreciate Easter Sunday when we once again sing: **Christ the Lord is Risen Today!**

## Sunday School Classes

**Kingdom Heirs** is an interactive Sunday school class where attendees share in each others lives from week to week. We believe that everyone in our class is fully capable of teaching life lessons. David and Tricia Beal facilitate discussions and encourage everyone to participate in the current lesson. We are currently working on a six week Bible study based on "It's a Wonderful Life" this lesson will take us through the end of the year. Our next bible series will begin in early 2025. This lesson is from the book "Twelve Ordinary Men" and is an in depth study of the twelve disciples.

The **Sue Knight** Sunday School Class has been in meeting at Knightsville Methodist Church for over 3 decades. It is a class made up of mature older adults, both singles and couples, who gather weekly in a circle of love arrangement to support and add to the spiritual maturity of its members through weekly Bible study, prayer and Christian fellowship. The class is led by the husband-and-wife team of Shawn and Dianne Boykin, and you can always count on a study that brings life lessons right out of the pages of God's word.

New Adult Sunday School class.... **Abundant Life**

Due to the growth of our current adult Sunday School Classes and to provide the opportunity for more people to attend and actively participate in the discussions, we have decided to start an additional class for adults. This class will begin on Sunday January 5<sup>th</sup> and will be facilitated by Jim and Martha Vaughn. The inaugural class curriculum will be Great Characters of the Bible by Dr. Alan Stringfellow . This is the study of characters of ordinary people that God used to accomplish extraordinary tasks. The class reviews what scripture reveals about each character and how God used them. Our first week we studied Adam. Next will be Eve then Cain, Able, and Seth followed by Noah and his sons. We are looking forward to learning and deepening our understanding of how god has blessed us. The class will tentatively meet in room 104 across from the pastor's office and the designated Sunday School hour which is generally 10am. Study books will be furnished at no cost to participants.

The **Purpose Driven** Adult Sunday School Class is a welcoming, prayer centered, interactive space where we delve deeply into scripture through discussion and personal reflection, aiming to apply biblical teachings to our everyday lives, fostering a strong sense of community and fellowship among members while encouraging open questions and diverse perspectives on the text; it's not just about learning facts, but about real-life application and spiritual growth together. \*We are currently going through the book of Revelation\*

## Prayer Shawl Ministry

Do you know how to knit or crochet?

Do you want to learn?

A group of women meet once a month to gather these prayer shawls, pass out free donated yarn, and visit as they work. Most of the shawls get completed at home and brought back the next month.

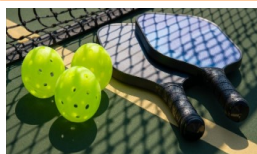

A shawl can be any size. 12 inches by 40 inches or think of a large scarf and that would be a place to start. As you knit or crochet pray over you work for those who will be receiving the Shawl. They are given to Pastor Robert to take to shut ins, visitations at hospitals and nursing homes. It allows the receiver to know someone has prayed for them and they are not forgotten.

Come one, come all – 3<sup>rd</sup> Tuesday morning of every month at 10:00 AM in the Fellowship Hall. P.S. Men can learn too. Find a new hobby and join us in this mission. For more information call Ginger Atwell 843-693-0859.

We will hopefully be able to shorten the list. When two or more people pray together it is considered a Corporate Prayer and it is much more powerful than individual prayers.

Anyone in need of prayer with any situation will be addressed. "Hands on Healing" prayers is also very effective and another powerful way to pray. Show up and let us pray for you. So, join me in POWER PRAYING.

"As we pursue the sometimes-lonely journey through our own life experiences, the presence of those who walk with us, without words, but with great love, frees us and strengthens us to go on. Those who are free inside themselves set us free from the inner fears and insecurities which paralyze us. Those who have known the cost of beginning and ending give us the courage to somehow do it better, or at least to try again."

"As we walk together, each person faces life experiences that carry with them the potential to destroy or to lead to greater life. We face experiences that can either paralyze us or set us free. We can choose to open doors to new life or to close them forever. It is the presence of others walking with us, loving us, and reaching out to us, that makes it possible for us to trust ourselves." ~ Sister Paula Ripple ("Walking with Loneliness")

You don't have to walk alone or face life experiences alone. The Stephen Ministry can help. We are all "better together."

"We care, but only God can cure."

Your active Stephen Ministry team at KMC is: Diane Boykin, Amber Cathey, Doug Hammond, Pam Hoard and Peggy Lawton. For more information contact Pam Hoard at 843-367-6574.

# DISCIPLE 1

## Becoming Disciples Through Bible Study

I wonder who made me and my world. If there is a creator, what is this creator like? Why was I made? Scientists say some rocks are billions of years old and stars millions of light years away. In a universe so big, surely, I am only a speck of dust.

Does God really have anything to do with me?  
Does the Bible have any answers or power to offer me?

The goal of Disciple 1 is to develop disciples for Jesus Christ who know and love God's Word. Throughout this study, you will be reading Scripture. As you read it, take notes and write down your reflections and/or questions in your manual. Daily assignments will guide you in reading the Bible, your manual, and preparing you for your next group get together.

Pastor Bill and Susan Masciangelo  
will be leading these weekly study groups starting:  
March 11th thru May 27th on  
Tuesday evenings from 6-8 pm and  
Thursday mornings from 10 am-12 pm  
In the Fellowship Hall Stephen Miller Conference Room

Email Pastor Bill for more details:

## Coming in 2025, Transformational Small Groups!

### What is a Transformational Small Group?

A "Transformational Small Group" takes place in a small group setting, designed to facilitate significant personal growth and spiritual development among its members through deep sharing, accountability, and intentional focus on applying teachings to daily life, leading to meaningful life changes and a closer relationship with God; it goes beyond just studying information to actively cultivate transformation in individuals within the group.

Key points about Transformational Small Groups:

- Deep relationships**- Members build strong connections with each other, fostering a safe space for vulnerability and honest sharing.
- Active participation**- Emphasis on applying teachings to personal situations and actively reflecting on how to live out faith in daily life.
- Accountability**- Group members hold each other accountable for their commitments and spiritual growth.
- Leader focus**- Leaders are trained to guide meaningful discussions and encourage personal reflection.
- Kingdom-oriented**- Focus on how to live out faith in service to others and advancing God's kingdom

The wait is over! I am blessed beyond belief to announce to you that a new small group experience at Knightsville Methodist Church is ready to launch. You have been hearing about it for several months and now we are finally ready to begin to form groups.

First, let me give you a brief introduction. The name says it all. Going Deeper, because we seek believers who have a desire to go deeper in many aspects of their relationship with Jesus Christ and others in their small group of fellow believers. The TLC part of the name is a catchy way to describe what happens to a group participant as they "Go Deeper." They begin to experience TLC that is "Transforming our Lives through Christ" as a by-product of meeting weekly to pray for the Holy Spirit to come and join them as each member of the group has a "Sharing The Faith" moment. While sharing your faith with each other you will talk with each other about your daily and regular Acts of Piety, that keep you centered on God's Word. You will share and hear about specific events and times from the past week where you felt the presence of Christ walking beside you in your life. You will share, and hear about encounters where you had the opportunity to be God's beacon of hope for somebody. In addition, you will share how you and the others feel that your faith has been tested. Individually you will declare and hear from others about their plan for study and action for the coming week, in order to see our lives through the lens of Christ. Finally, the group will intimately share prayer requests, concerns and praises. Sounds a little different, right?

This may sound intimidating to some, but don't discount the transformational power of developing close knit bonds with other believers and hearing that we all have the same fears, trials and tribulations. There is something miraculously transforming when you hear stories from others as they recall times from their week where they encountered a situation or event where they felt the closeness of Christ. You will begin to look for and note these occurrences in your own lives, just so you can share at the next small group meeting. And as you transform, your group members will transform. And as the groups transform, our church will begin to transform as well.

Well, are you ready to blast off with us?

Here is a list of the current groups that are open to join. In order to add some identification to the groups we are calling the groups TLC "followed by the name of a first century Christianity town or village." The groups are limited to 6 members to insure confidence and intimacy. The meetings will be weekly and the time limit of 60-75 minutes will be stringently adhered to. Find a group that you are interested in and reach out to the leader by phone and claim your spot.
