Words of Encouragement

SUNDAY SEEKERS INTO BOLD BELIEVERS

A Church goer wrote a letter to the editor of a local newspaper and complained that it made no sense to go to church every Sunday. He wrote: "I've gone for 30 years now, and in that time, I have heard something like 3,000 sermons (that church goer needs to come here and listen to Spiritual Vitamins), but for the life of me, I can't remember a single one of them. So, I think I'm wasting my time, the preachers are wasting theirs by giving sermons at all."

This started a real controversy in the "Letters to the Editor" column. Much to the delight of the editor, it went on for weeks until someone wrote this clincher: "I've been married for 30 years now. In that time my wife has cooked some 32,000 meals. But, for the life of me, I cannot recall the entire menu for a single one of those meals. But I do know this: They all nourished me and gave me the strength I needed to do my work. If my wife had not given me these meals, I would be physically dead today. Likewise, if I had not gone to church for nourishment, I would be spiritually dead today!"

When you are DOWN to nothing, God is UP to something! Faith sees the invisible, believes the incredible and receives the impossible! Thank God for our physical and our spiritual nourishment!

SO, WHERE DO WE GO FROM HERE?

The difference between "attenders" and "members" can be summed up in one word: COMMITMENT. At KMC we recognize the need for commitment. We ask you to commit to your church family for four reasons:

I. A BIBLICAL REASON: CHRIST IS COMMITTED TO THE CHURCH

"...Christ loved the church, and he gave his life for it." Ephesians 5:25

II. A CULTURAL REASON: IT IS AN ANTIDOTE TO OUR SOCIETY

We live in an age where very few want to be committed to anything...a job...a marriage...our country. This attitude has even produced a generation of "church shoppers and hoppers". Membership swims against the current of America's "consumer religion." It is an unselfish decision.

Commitment always builds character.

III. A PRACTICAL REASON: IT DEFINES WHO CAN BE COUNTED ON

Every team must have a roster. Every school must have an enrollment. Every business has employees. Every army has an enlistment. Even our country takes a census and requires voter registration.

Membership identifies our family.

A PERSONAL REASON: IT PRODUCES SPIRITUAL GROWTH

The New Testament places a major emphasis on the need for Christians to be accountable to each other for spiritual growth. You cannot be accountable when you're not committed to any specific church family.

Surely you need a card.

Blessings,
Pastor Robert

**STEPHEN
MINISTRY**

This month, let's focus on praying for our Stephen Ministers....those who have answered the call to go out and minister to those in our congregation who might need a little extra love and support.

When praying for those in this ministry, we ask that you focus on these four attributes of the Stephen Ministry.

- 1) **Compassion:** To truly feel and understand the care receiver's spiritual and emotional needs.
- 2) **Faith:** To rely on God for healing rather than their own abilities.
- 3) **Skill:** For the 50 hours of training to be effective in practical caregiving.
- 4) **Trustworthiness:** To maintain the strict confidentiality that is a cornerstone of the ministry.

Words from the Director of Ministerial Support

The 90-Day Evaluation

Forty-two years of doing the same job creates a lot of ingrained, well, habits. As a hospital pharmacy administrator, over the years I probably vetted, interviewed and hired close to 1000 pharmacists, technicians and managers. I also, sat and objectively drafted semi-annual and annual evaluations and performance reviews on those staff members. The new staff member, 90-Day evaluation is sort of burnt into my being. So, as I write this entry for the March Knightly News, I have been working at Knightsville Methodist Church for just over 90 days. If I were to do my own 90-day evaluation, on myself, It would read something like this: While Doug shows and eagerness to learn, he has a long-way to go. It is obvious that he is new to this type of role, but he strives each day to assist Pastor Robert with shepherding the flock. What Doug lacks in experience, he is making up for in following the Holy Spirit's guidance because this role has obviously taken him into situations and relationships that he had no idea that he would venture. Although Doug wasn't born for this role, I know that he was called into it and he continues to strive to perform each day out of s love and dedication to the people whom he serves at KMC. I am grateful to have the opportunity.

God Bless You,
Doug Hammond

"The Going Deeper TLC small groups should grab your attention. In the Wesley tradition, being a member of a TLC group (**T**ransforming **L**ives **T**hrough **C**hrist) allows you to experience giving every part of your life to loving and serving God. This is not a Bible study. We are focused on living a life in Christ, rather than memorizing Scriptures. Our group becomes family and we hold each other accountable as we share our daily devotions, prayers and praises. We share when we felt closest to Christ and where we might improve. We try to grow in the Fruits of the Spirit as stated in Galatians 5:22-23. This keeps us grounded and prevents our faith from withering as we involve ourselves in a community of other believers." - Martha Vaughn

If you want to know more about Going Deeper TLC groups, or are interested in joining one, or starting one of your own, help is available. Groups usually meet during the week, at church and in homes. We meet for no more than 90 minutes with an average meeting time of 75 minutes. We can find a time and place that works for you. Contact Peggy Lawton at: lawtonp@comcast.net or 843-813-6160 for more information.
